

- (potential, designed) forms of M-A-P-P-E-R: narrated text (.txt) and interactive graphics (.html)
- each time the .txt or .html file is opened, it's a unique instantiation of M-A-P-P-E-R, inclusive of the interaction that the viewer has with it
- content: a playful, interactive study of modalities of power and resistance in the Foucauldian and Deleuzian traditions, hinging on abstract visual expressions

What is the motivation for this study?
